US 41 Project lane closures for August 5 – August 9

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for August 5 – August 9 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Winnebago County

US 41

Drivers will encounter various lane closures on northbound and southbound US 41 between WIS 21 and US 45 on Monday, August 5 from 10 p.m. to 5 a.m.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or unusual incidents (such as weather).

Northbound US 41 full closure between the off-ramp to WIS 54 and the on-ramp from WIS 29 from 9 p.m. Monday night, August 5 until 6 a.m. Tuesday, August 6. The following detours will be in place:

- US 41 NB traffic will be detoured off at the off-ramp to WIS 54, take WIS 54 eastbound to Military Ave., Military Ave. north to Velp Ave., and then Velp Ave. west to US 41.

WIS 29

Drivers can expect various overnight single lane closures on eastbound and westbound WIS 29 from County J to Taylor Street throughout the week. On Monday, August 5, there will be a full closure of northbound US 41 between Mason Street and WIS 29 and a full closure of the US 41 on-ramp from Mason Street from 9 p.m. to 6 a.m. The following detour will be in place:

- **Northbound US 41** traffic will be detoured off at Mason Street, take Mason Street east to Military Avenue, follow Military Avenue north to Velp Avenue and take Velp Avenue west to US 41

In addition, the northbound US 41 off-ramp to WIS 29 will be closed overnight on Monday, August 5 from 9 p.m. to 6 a.m. The following detour will be in place:

- **Eastbound WIS 29** traffic will take Mason Street east to Military Avenue and follow Military Avenue north to eastbound WIS 29
- **Westbound WIS 29** traffic will take Mason Street west to Packerland Drive and follow Packerland Drive north to westbound WIS 29

WIS 29 Tub girders

Over the next few weeks, steel tub girders will be lifted and set to construct the WIS 29/US 41 interchange flyover ramps. Drivers can expect various full overnight closures of US 41, WIS 29 and/or nearby ramps during these lifts. WisDOT will send a road closure alert and suggested detour to media, www.US41Wisconsin.gov, and social media a day prior to the expected girder lift. Tub girder lifts are weather dependent and subject to change. If you have any questions regarding the steel tub girder lifts, please contact US 41 Communication Manager Mark Kantola at 920-492-4153 or email at mark.kantola@dot.wi.gov.

All lane restrictions and work operations are weather dependent and subject to change.
